All profits earned will go directly to the CIF disaster relief fund. Thanks to the generosity of the many industry and individual donors, CIF has been able to provide assistance to hundreds of collision professionals over the years after devastating hurricanes, tornadoes, wildfires, flooding, and other catastrophic events.

The CIF Board of Trustees extends a resounding thank you to the entire industry for the

tremendous support that has been provided to the Foundation over the past 20 years!

We hope to see you at this first celebratory anniversary event.
