

CIF Announces CCC Intelligent Solutions as repeat Annual Donor at Highest Tier

MECHANICSVILLE, VA, January 31, 2022 – The Collision Industry Foundation (CIF) is thrilled to announce that CCC Intelligent Solutions committed to participate again in the “CIF Annual Donor Program”. This marks the second time in a row for a donation at the highest level: a 1st RESPONDER with a \$10,000 pledge!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

“For over 20 years, the Collision Industry Foundation has supported collision repair professionals when unexpected events arise,” said Dan Risley, VP of Market Solutions, CCC and CIF Treasurer. “CCC is proud to support CIF and its work to ensure the long-term strength and success of the companies and individuals that make up our industry.”

“We appreciate the generosity of CCC in support of the CIF mission and welcome them back as a strong supporter,” said Casey Steffen of Saint-Gobain Abrasives and CIF Trustee.
