

CIF Announces Dedoes Industries as repeat Annual Donor

MECHANICSVILLE, VA, February 21, 2022 – The Collision Industry Foundation (CIF) is delighted that Dedoes Industries committed to participate again in the “CIF Annual Donor Program”. This marks the second time in a row for a donation at the URGENT CARE tier with a \$5,000 pledge!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

Dedoes Industries is a leader in the manufacturing of paint mixing equipment solutions for the refinish industry. Since 1942, they have provided innovative products with the highest level of quality and service. These products include mixing machines, stirring lids, paint shakers, cabinets, and blending tables. “Dedoes Industries, as a team, is proud to continually support the Collision Industry Foundation. Our core values encourage us to assist our industry locally and nationally. It is inspiring to see what CIF does every year for industry individuals in need.” said Mark Jurman, CEO of Dedoes Industries.

“It is the incredible generosity of donors like Dedoes that make it possible for CIF to continue to do its outstanding philanthropic work. On behalf of the entire CIF Board of Trustees I would like to thank Dedoes for their ongoing partnership with us in serving our great industry by lending a helping hand in time of need” said Scott Walton of Sherwin-Williams and CIF Trustee
